

RESIDENTIAL REBATE PROGRAM

WHY

Metropolitan has expanded its SoCal Water\$mart rebate and incentive programs to make saving water more affordable for residential customers.

WHO

Residential water customers within Metropolitan's 5,200-square-mile, six-county service area are eligible for rebates on indoor and outdoor water-saving devices and programs. Residential water customers are defined as living in single family homes or other residences with four units or less. Both the water service and installation address must be located within Metropolitan's service area.

More Eligibility Information

- Refer to Metropolitan's list of qualified products for rebate eligibility.
- Rebate amounts vary by participating water agency and are subject to change without notice.
- If you have already received a rebate through your water service provider for a qualifying device, you may not be able to apply again for the same product.
- Multifamily customers are eligible to receive clothes washer rebates through this program. These residential customers include apartments, condominiums, townhomes and mobile homes.
- Metropolitan reserves the right to verify and inspect installation of rebated devices.
- Refer to Program Terms & Conditions at socialwatersmart.com for detailed guidelines.
